**Pixel says:** "The secret to great AI art is being specific! Instead of 'draw a cat,' try 'a fluffy orange cat sleeping in a sunbeam, watercolor style.' The more details you give me, the better I can create what you imagine!"

## THE MAGIC FORMULA

Subject + Action/Pose + Setting + Style + Mood/Colors

## Art Styles to Try

### Cartoon

Bold lines, bright colors, fun exaggerations

"cartoon style"

### Watercolor

Soft, flowing colors that blend together

"watercolor painting"

### Pixel Art

Blocky, retro video game look

"8-bit pixel art"

### Realistic

Looks like a photograph

"photorealistic"

### Anime/Manga

Japanese animation style

"anime style"

### Storybook

Warm, illustrated children's book feel

"children's book illustration"

## Ready-to-Use Templates

### CHARACTER PORTRAIT

A \_\_\_\_\_ (character) with \_\_\_\_\_ (features) wearing \_\_\_\_\_ (clothing), \_\_\_\_\_ style, \_\_\_\_\_ (mood) lighting

### SCENE / LANDSCAPE

A \_\_\_\_\_ (place) with \_\_\_\_\_ (details) during \_\_\_\_\_ (time of day), \_\_\_\_\_ style, \_\_\_\_\_ (weather/mood)

### ACTION SCENE

A \_\_\_\_\_ (character) \_\_\_\_\_ (action) in a \_\_\_\_\_ (setting), \_\_\_\_\_ style, dynamic angle

### Pro Tips from Pixel

- **Be specific:** "golden retriever puppy" beats "dog"
- **Add mood words:** cozy, mysterious, cheerful, dramatic
- **Mention lighting:** sunset, moonlight, neon glow, soft shadows
- **Include colors:** "in shades of blue and purple"
